

OGRCC ANTI-BULLYING STATEMENT

We are dedicated to creating a safe, respectful, and inclusive environment for all individuals. Bullying is unacceptable and will not be tolerated in any form. At OGRCC, we believe that our activities should be a safe, respectful and supportive experience for every participant. Bullying has no place in our classes, on our teams or in our practices.

Definition of Bullying:

Bullying is any repeated, intentional behavior meant to hurt, intimidate, or exclude someone. It can include name-calling, teasing, physical harm, unfair play, social exclusion, or online harassment. In sports, bullying damages team spirit, breaks trust, and keeps players from reaching their full potential.

We are committed to promoting teamwork, respect, and kindness both on and off the field. Coaches, players, and families are expected to speak up against bullying, support those who are.

We believe that everyone has the right to feel safe and valued. We are committed to identifying, addressing, and preventing bullying through education, open communication, and appropriate intervention. Together, we stand for respect, kindness, and the dignity of every individual.
